

St John the Baptist P.S. Koo Wee Rup School Song

©2015

Composer: Ann Larkins

Lyrics: By Ann Larkins in collaboration with St John's 2015 senior students

Chorus:

With helping hands we care for each other

Here at St John's we work together

Keeping our faith and trust in God

With open doors we spread His love

St John the Baptist School is a special place

We can be ourselves here in this space

All our friends and our family

Are part of our loving community
