

School Prayer

Heavenly Father,

Through the intercession of St John the Baptist, patron of our Parish, we ask you to bless the leaders of the Church, the school and the community.

We ask you to bless all the children and adults who belong to this Faith Community.

Help us to really care for one another in the way Jesus, Your Son, taught us.

Help us to follow St John's example in being cheerful, brave, forgiving and encouraging people because we know that You love us and this is what you call us to be.

Amen.
