

Reporting and Contacts

The role of the Child safe team is to embed the culture of child safety ensuring all members of our community understand their rights and responsibilities to create a child safe environment for all students.

Responsibilities

- To ensure Policies and Procedures are developed, known and implemented.
- To ensure that all members of the community have the opportunity to understand their role in creating a child safe culture.
- To ensure all students' needs are considered when implementing child safe strategies, with particular attention being paid to students with diverse needs or to those who are vulnerable.
- To identify risks associated with the safety of children, identify mitigation strategies and review those strategies regularly but in particular after breaches of child safe practices.
- To embed student voice in practice and strategies.
